

ENVIRONMENTAL POLICY

At Stiles Electrical Services, our aim is to ensure that all products and services supplied to our clients minimize the impact on the environment.

To meet environmental objectives, Stiles Electrical Services are committed to the following :

- Maintain an Environmental Management System to ensure that all operations are managed in accordance with ISO 14001:2015
- Recycle materials wherever possible
- Work with Stiles Electrical Services employees, clients and other parties to identify, assess and control environmental risks associated with each project
- Monitor and review to continually improve Stiles Electrical Services environmental performance
